Dated: 19/1/21

**ORDER**

MCC, Govt. of India DGHS, Nrman Bhawan, New Delhi while finalizing the schedule for Stray Vaccancy Round of UG seats 2020-21 had fixed the start of session for UG courses w.e.f 02.02.2021. Accordingly, it has been decided that classes for first year BDS students will be started w.e.f. 02.02.2021.

All the students of BDS first year will report to Dr. Priya Kumar, Associate Professor, Deptt. of Oral Pathology, MAIDS on 02.02.2021. All students will get themselves tested for RT- PCR COVID Test, before reporting on 02.02.2021. The test should be conducted within 72 Hrs of reporting in MAIDS and only COVID Negative students will be allowed to enter MAIDS. In case any student requires to get him/herself tested at MAIDS, he /she could contact Dr. J. Augustine, Associate Professor, Deptt. of Oral Pathology, MAIDS immediately for conducting the RT- PCR COVID test.

It will be ensured that all guidelines and SOPs circulated by the GOI and GNCT of Delhi including UGC Guidelines for re-opening of Universities and Colleges post Lockdown due to COVID-19 pandemic dated 6.11.2020, National Medical Commission letter dated 12.11.2020 and Dental Council of India letter dated 30.12.2020 are strictly followed. Further, UGC guidelines for re-opening of universities & colleges should also be scrupulously followed by all concerned.
